## POLICY

### 1. School profile

Westall Secondary College was established in 1963 and is located approximately 25 kilometres southeast of Melbourne. We have 530 students enrolled from Year 7 to 12 and 75 school staff members including a school nurse, a wellbeing coordinator and counsellor.

A supportive community surrounds us. Most students that attend our school live locally and tend to use the train to get to school. Westall Train Station is 200 metres from the school. Many students also walk or ride their bike to school. Bus routes 824 and 705 are another option. Westall Secondary College has developed close ties to the local community, and enjoys support from our local shops and community services.

Our school is culturally diverse with over 50% of families having a language background other than English (LOTE), with the largest LOTE groups being Chinese (Mandarin), Vietnamese and Hindi. The school also has strong representation from the Koorie community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

## 2. School values, philosophy and vision

Example School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of care, service and integrity at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.
