

Course Planning

VCE

Mathematics

- All Year 11 students are advised to take a Maths subject.
- Maths is the most common requirement after English for university courses.
- **Check 2023 Maths prerequisites for tertiary courses.**
 - E.g. Medicine, Commerce, Engineering etc

Prerequisites for

2024

- Choose a Maths subject which best suits your level
- E.g. Maths Methods requires a high level of skills in Algebra

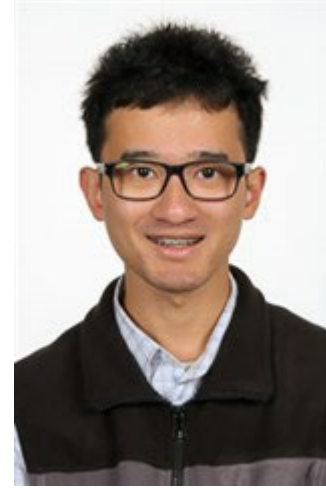

- Talk to your Maths teacher regarding recommendations
- Talk to the VCE Maths teachers to get more information
