Dear Parents/Carers,

At Westall Secondary College we strive to achieve the best possible result for every student. To do this we take the time to get to know every student both as a person and as a learner. This allows us to provide a personalised and tailored learning experience for every student. It is the positive relationships we establish with our students that sets us apart and this allows us to provide outstanding teaching based on each student's needs and interests.

We have a relentless focus on getting the best possible student outcomes and creating a learning environment that allows students and teachers to achieve excellence. Parents and the community are critical to this success and there is significant research that shows the more involved parents and the local community are with a school that the more successful that school will be.

A calm, orderly environment, consistency in expectations and a focus on continuous improvement are essential elements of a great school. You will see very positive things at Westall Secondary College in this regard and in particular the character and application of our students. I also want to recognise and comment on the excellent staff we have at Westall. Our teachers are the most valuable resource we have to support your children at school. Westall Secondary College teachers are passionate, committed and highly skilled which provides our students with the very best education.

Our values around 'CARE' drive what we do and it is this CARE for self, others, our learning and our environment that makes Westall Secondary College an outstanding school. Our College motto of "INTEGRITY and SERVICE" can be seen in the exemplary behaviour and character of our staff and students.

Congratulations on your interest in Westall Secondary College. A place where your child will feel connected, safe, happy and challenged to grow and improve every day they are here.

The Westall Way: Expected Learning Behaviours

The Westall Way Learning Behaviours are a set of expectations that bring together the College's Values, as well as the existing Code of Cooperation for Junior School, Middle School and Senior School. The learning behaviours are not a set of traditional school rules, but a set of agreed behaviours that all students should endeavor to demonstrate in College life.

The Westall Way Learning Behaviours have been created by College Leadership team and the Student Representative Council, in consultation with the wider College staffing body.

Students will be rewarded for consistently displaying the learning behaviours and likewise, the learning behaviours framework will form the basis for conversation in an instance where a student is not displaying the expected behaviours in class or around the College.

Music Program

Dear Parents/Guardians,

Westall Secondary College places a very high value on the learning of music as part of the School Curriculum.

The College provides a wide variety of Instrumental music lessons during the school day, in the following areas:
Drums, Violin, Flute, Clarinet, Saxophone and voice.

Instrumental and Voice lessons are offered at the College at a fee of \$100 and **instruments can be hired out** through the College for **\$100.00 per year.**

The \$100 instrumental hire fee can be paid by instalments during **term I.**

The first instalment should be paid within the first three weeks of term I. The last instalment should be paid by March 29th, 2021.

All lessons are timetabled on a rotating basis and take place during class time. This minimises the chance of your child missing the same class more than once a month.

The first two lessons will be offered on a trial basis. However, after the decision to learn the instrument has been made, it is expected that your child will continue with the lessons until the end of the year.

Refunds will not be made unless it is possible to re-allocate students' place to another student. Students, who demonstrate continued poor attendance and/or behaviour, will be counselled about continuing in the program.

Reports on student progress will be issued at the end of each semester.

If you have any questions regarding the Instrumental Music Program, please do not hesitate to contact me on (03) 9546 3233, or rodger.clark@education.vic.gov.au

Instrument Hire Agreement

Hire fees are to be paid in full at the start of the year. The annual tuition fees are \$100 for lessons, and a further \$100 if your child needs to hire their instrument.

The final payment should be made **before March 29th, 2021**.

Instruments must be returned, in perfect condition, by December 6th, 2021.

Students and parents are responsible for keeping the instrument in good working order.

Any loss of, or damage to an instrument resulting from actions, either accidental or intentional, by a student or a third party, are the responsibility of the hirer, who will be financially responsible for any required repair or replacement.

Other repairs required by general wear and tear will be paid for by the College. Any such fault must be reported immediately.

Instrumental tuition and hire are undertaken for a minimum of a full school year and refunds will not be possible for students that withdraw, unless it is possible to reallocate a student's instrument to someone who missed out initially.

Students must buy their own reeds for reed instruments (clarinets and saxophones) and replacements for any broken strings on violins, violas and cellos.

Students are expected to practise their instruments at home to ensure steady advancement. Reports reflecting students' progress will be written twice a year.

Students are expected to attend all instrumental music classes and to participate in band and/or ensemble groups.

It is the responsibility of the student to "catch-up" on work missed due to their attendance in the Instrumental Music Program.

Parents are required to support their son/daughter with transportation, when asked to participate in College events and performances outside school hours.

I would like my child, _____ of Year: _____ to participate in the Instrumental Music Program.
